"Underneath the Starry Sky: A Nighttime Poem"

Beneath the starry sky so vast,
A world of dreams is ours at last.
The moon above, a silver ball,
Casts its glow on one and all.

As night descends with gentle grace,
The world transforms into a peaceful place.
The twinkling stars, a brilliant show,
In the velvet sky, they softly glow.

The crickets sing their lullaby,
A soothing tune to the passerby.
The owl awakens, takes to flight,
In the stillness of the night.

Now, let's explore the starry realm,
And let your imagination overwhelm.
In this poetic journey we'll partake,
Five questions await, so stay awake.
