Reading Biography
"The Life of Amelia Earhart"

Amelia Earhart was an incredible woman who made history with her love of flying. Born in 1897 in Kansas, USA, she was a determined and adventurous spirit from a young age. Amelia's fascination with airplanes began when she saw her first one at a county fair. Little did she know that one day she would become the first woman to fly solo across the Atlantic Ocean!

Amelia faced many challenges in her career, but she never gave up. She became a pilot, setting numerous records and breaking barriers for women in aviation. In 1937, she embarked on her most famous journey, attempting to fly around the world. Sadly, her plane disappeared over the Pacific Ocean, and she was never found. Amelia's legacy lives on as an inspiration to all, especially young dreamers who look up to the sky with hope.
