

Estimate the height of both trees using a centimeter ruler:

tree 1.

tree 2.

Tree 1:

Height: _____ centimeters

Tree 2:

Height _____ centimeters

Measured Height: _____ Centimeters

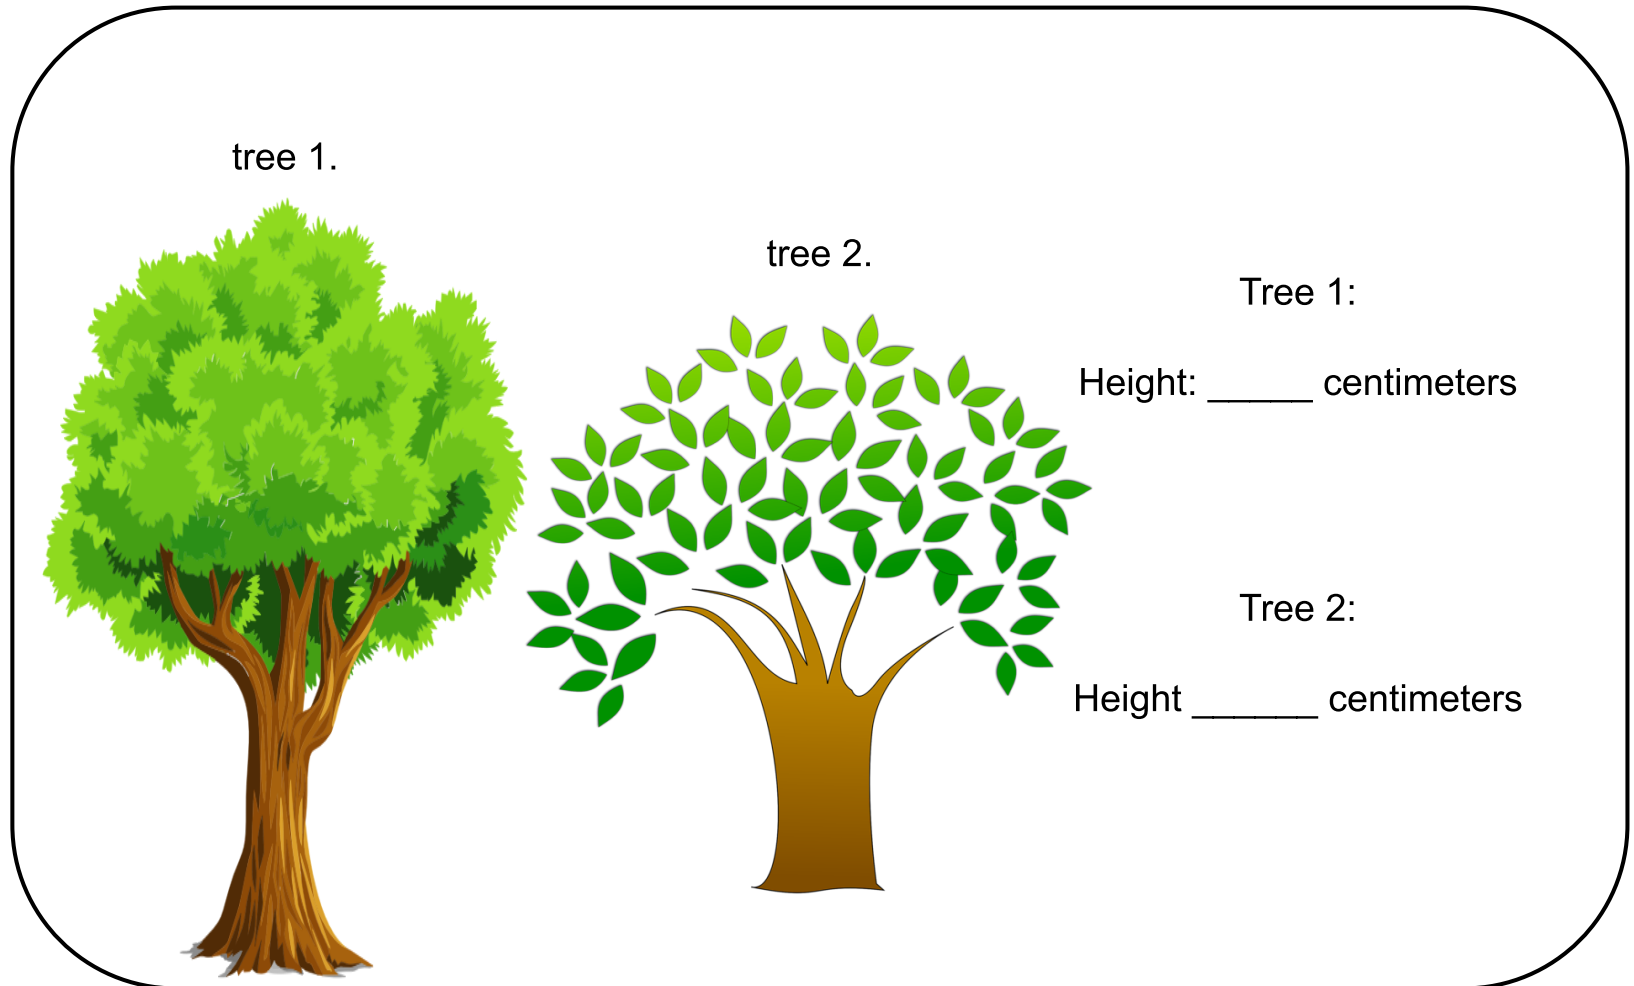

Measured Height: _____ Centimeters

Estimate was:
correct / too low / too high

Estimate was:
correct / too low / too high

Grade: 2 Q Category: Measurement Q Sub Category: Length: Differences in length- Centimeters Worksheet #: 228A

Estimate the height of both trees using a centimeter ruler:

Measured Height: 9 Centimeters

Measured Height: 7 Centimeters

Estimate was:
correct / too low / too high

Estimate was:
correct / too low / too high
