Incorrect Question #	Why is my answer incorrect	Why is this the correct answer					
32	I didn't learn it	I didn't learn it.					
33	My answer was wrong because the bird is not an organism that provides energy with 1 or more <del>food</del> organisms in the food web shown.	The answer is correct because the plant is an organism that <del>lets</del> provides energy for more than one organism in the food web shown.					
37	My answer was incorrect because wood does not conduct electricity as best copper does.						
38	I didn't learn it	I didn't learn it					
39	My answer was incorrect because a class cannot make a prediction that guess the parts will probably eat more grass than tree leaves. They can observe that they're green with long leaves and antennae.						
410	I didn't learn it	I didn't learn it.
