Incorrect Question #	Why is my answer incorrect			Why is this the correct answer		
# 3	The answer B was incorrect because he was concerned about the pipeline but that was not the reason he was conflicted			D is the correct answer because he was afraid of all the things.		
# 7	The answer is not none of the above because it is not word for word and the answer is worded differently.			A is the correct answer because cognitive, behavioral and motor are also movement memory and changes in behavior.		
# 16	it is not oxymoron because none of the word parts are contrasting			it is Onomatopoeia because it says the timber groans. which is a sensory word.		
# 21	it is not A because i thought it was referring to just his academic thing but it is not.			it is his entire journey of life since the sentence is his entire experience		
# 24	A is incorrect because the Mayan hieroglyphics were not mathematical.			It is B because she is allowing the rest of the world to access her findings.
