

Nouns - Writing nouns in texts

Worksheet 1

Fill in the blanks with the words in the word bank:

Word bank: dinosaurs, sidewalk, sky, airplane, cat, land, teeth, year, bones, hair, plants, fossils, eyes, oceans, rocks

Dinosaurs lived a long time ago, millions of years before people. They were huge creatures that walked on _____, flew in the _____, and even swam in the _____. Some dinosaurs, like the Tyrannosaurus rex, were big and scary with sharp _____, while others, like the Brachiosaurus, were tall and gentle plant-eaters. Scientists learn about dinosaurs by studying their _____, which are _____ and traces left in _____. Even though _____ are extinct now, we can still learn about them from the fossils they left behind.

Answers:

1. land
2. sky
3. oceans
4. teeth
5. fossils
6. bones
7. rocks
8. dinosaurs
