#### Title: The Magical Forest Adventure

Once upon a time, in a small village nestled between rolling hills and a glistening river, lived a curious young boy named Jack. Jack was known throughout the village for his insatiable appetite for adventure and his wild imagination. Every day after school, he would rush home to read books about far-off places and magical creatures. But what Jack didn't know was that his own adventure was just about to begin.

One sunny afternoon, as Jack was exploring the woods near his house, he stumbled upon an unusual tree. Its leaves shimmered like emeralds, and its trunk was adorned with mysterious carvings. Jack couldn't resist the temptation to touch it. As he did, the ground trembled, and suddenly, the tree split open to reveal a dark, enchanting tunnel.

Without a second thought, Jack bravely stepped into the tunnel. To his amazement, he found himself in a forest unlike any he had ever seen. The trees were tall and swayed gracefully, their branches laden with glittering jewels instead of leaves. The air was filled with the sweet scent of strawberries, and the soft rustling of leaves sounded like a melodic lullaby.

As Jack ventured deeper into the forest, he encountered a talking squirrel named Squeaky. Squeaky was a wise and friendly creature who told Jack that this was the Enchanted Forest, a place where dreams come true. Jack's heart raced with excitement, and he couldn't wait to explore more.

#### Multiple choice questions

1. What is the name of the young boy in the story?
