| Incorrect Question # | Why is my answer incorrect | | | Why is this the correct answer | | |
| 14 | "F" is incorrect because it means there is a problem needing to be solved. | | | "G" is correct because it means a big group of rabbits, also it is talking about a growing group of rabbits. | | |
| 18 | "J" is incorrect because what it says in the paragraph doesn't match up with my answer. | | | "G" is correct because what it said in the paragraph matched up with "water wells were often located hundreds of miles apart." | | |
| 37 | "B" is incorrect because you can't use it to understand other characters. | | | "C" because if the author wanted to tell us where the necklace was he would've been the 1st person POV to keep the location of the necklace a surprise. | | |
