Incorrect Question #	Why is my answer incorrect			Why is this the correct answer		
# 21	I think I got this wrong because the Flier was not identifying it was informing the students.			I think that the correct answer is B because it is informing students about when, where, and what they will be doing.		
# 23	I realized that a world atlas talks about the land not what happens in the history of the olympics.			The correct answer is C because a thesaurus and dictionary talk about words and definitions. A website would have info about the olympics.		
# 26	I got this wrong because my answer was courageous but when I went back to the passage I saw why it was wrong.			Independant is the correct answer because she was allowed to go so she wasn't rebellious or disobedient.
