Incorrect Question #	Why is my answer incorrect			Why is this the correct answer		
2	My answer is wrong because the impact is not contrasting & it is giving an example.			The correct answer is example because it is only giving an example of what the title means.		
5	The word no is not giving a negative.			3. Concern the author would be concerned because the author is concerned about the production decreasing.		
16	My answer is wrong because it does not talk about the number of book stores.			It would be correct because it shows that there was to do things more efficiently.		
25	My answer is incorrect because single is a negative word & the passage is describing positive events.			Billions would be correct because billions were there in a smart way.		
30	It would be wrong because they know what will be judged.			Everyone might not think the sight is remarkable.		
36	Ge is wrong because he is not answering a question.			Because he said his stomach was full.		
39	Wens didn't do Brady during the conclusion.			D happens at the end.
