

Grade 3
Reading - Autobiography
"The Autobiography of Emily"

Hello, my name is Emily, and I am a fourth-grader at Maple Elementary School. I want to share some cool stories and fun facts about my life with you. I was born on a sunny day in May, and that makes me a Taurus. People say Taureans are strong and determined, and I think that's true about me!

I live in a cozy house with my mom, dad, little brother Tommy, and our pet cat Whiskers. Whiskers is a fluffy tabby cat, and she's my best furry friend. We adopted her from a shelter when she was just a kitten. I remember being so excited to bring her home!

My favorite subject in school is science because I love learning about planets, animals, and how things work. My teacher, Mrs. Johnson, makes learning fun with lots of experiments and projects. One time, we made a volcano erupt in class using baking soda and vinegar. It was awesome!

When I am not in school, I enjoy playing soccer with my friends at the park. I play as a forward, and I've even scored a few goals. My dad says I have a strong kick, and he practices with me sometimes to help me get better.

On weekends, my family and I often go on little adventures. We visit museums, go hiking, and sometimes we have picnics by the lake. I love taking pictures of flowers, birds, and anything interesting I see. My mom says I have a good eye for photography.

Even though I am only in fourth grade, I have big dreams for the future. I want to become an astronaut and explore space. I know it's a challenging job, but I am ready to work hard and learn everything I need to know to make my dream come true.

So, that's a little bit about me. I hope you enjoyed learning about my life, and maybe we have some things in common!

Multiple Choice Questions:

What is Emily's favorite subject in school?

- A) Math
- B) Science
- C) English
- D) History

What is Emily's pet cat's name?

- A) Tommy
- B) Whiskers
- C) Maple
- D) Emily

What position does Emily play in soccer?

- A) Goalkeeper
- B) Forward
- C) Midfielder
- D) Defender

Where does Emily's family often go on weekends?

- A) To the movies
- B) To the park
- C) On little adventures
- D) To the beach

What does Emily want to become when she grows up?

- A) A teacher
- B) A soccer player
- C) An astronaut
- D) A photographer
