

Grade: 4

Category: Graphing and data

Subcategory: Line graphs

Mason and Bob recorded the time they spent playing soccer for 6 day. Draw a line graph using the data.

Day	Time (minutes)
Day 1	40
Day 2	65
Day 3	75
Day 4	25
Day 5	50
Day 6	30

Grade: 4

Category: Graphing and data

Subcategory: Line graphs

Worksheet #:58Q

Answer the following questions according to the line graph above.

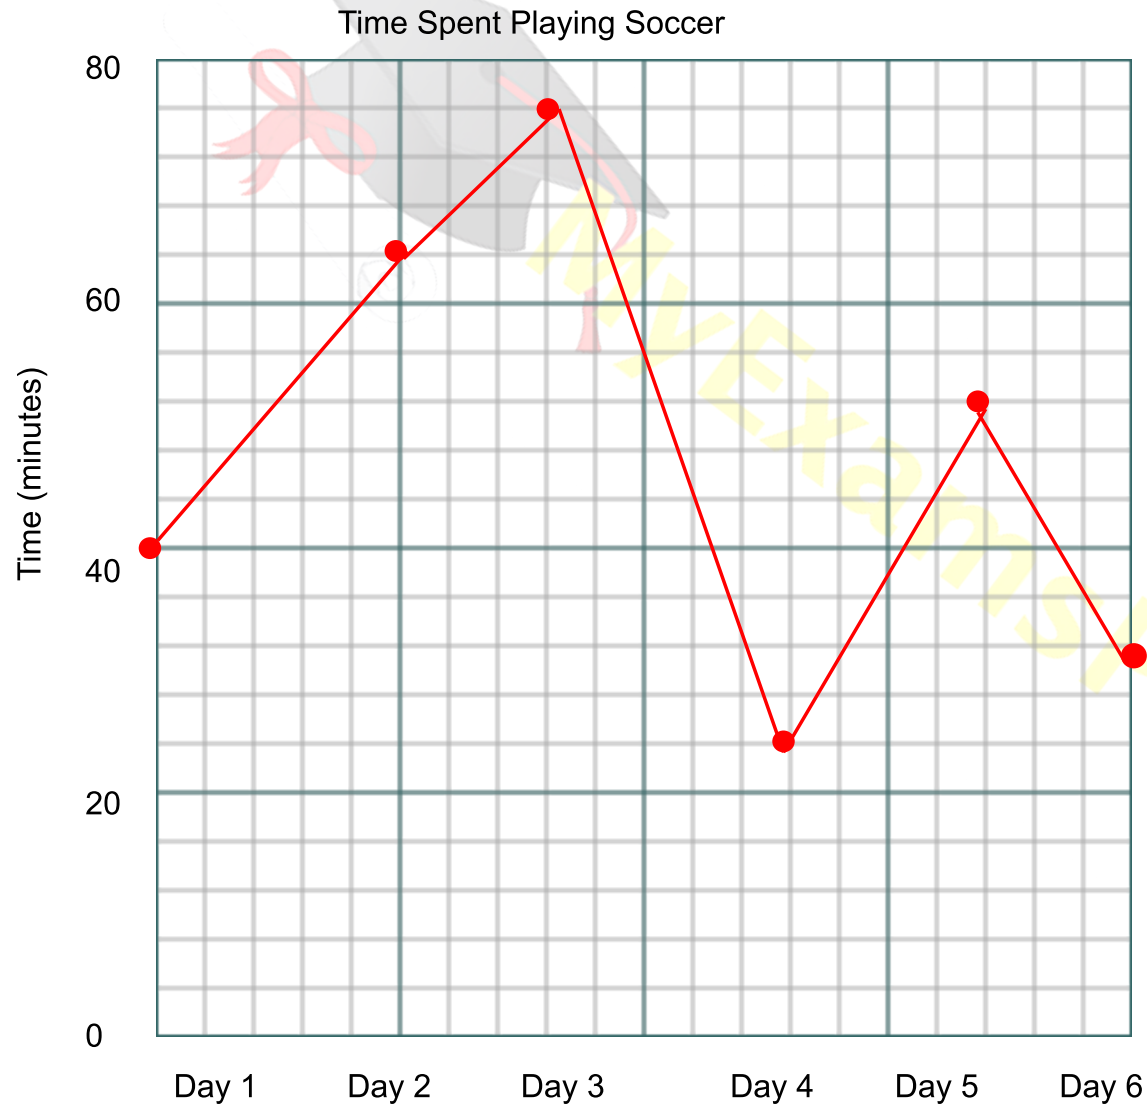

1. Which day did they spend the most time playing soccer?
2. From day 4 to day 5, did the amount of the time increase or decrease?
3. How many more minutes did they spend on day 1 and day 2 than day 5 and day 6?
4. How many days did they play at least 40 minutes?
5. What is the least time spent playing on a day?
