

Reading Passage: A Fun Day at the Beach (Travel Itinerary 1)

Today, we are going to have a fun day at the beach! Let's follow our travel itinerary to make sure we don't miss anything.

First, we pack our bags. We need swimsuits, towels, sunscreen, hats, and a beach ball. Mom reminds us to bring a bottle of water and some snacks too. We don't want to get thirsty or hungry while we play.

Next, we drove to the beach. It's a sunny day, and we are excited. Dad plays our favorite songs in the car, and we all sing along.

When we arrive at the beach, the first thing we do is find a good spot. We spread out our towels and set up the umbrella. It's important to have some shade.

Then, we put on our sunscreen. Mom helps us make sure we cover all our skin to protect us from the sun. We also put on our hats to keep our heads cool.

Now, it's time to play! We run to the water and splash around. The waves are fun, and we laugh a lot. After swimming, we build sandcastles. Dad shows us how to make tall towers and deep moats.

For lunch, we eat the snacks we brought. We have sandwiches, fruit, and cookies. It's nice to sit under the umbrella and enjoy our food.

After lunch, we play with our beach ball. We toss it back and forth and try to keep it from touching the ground. It's a lot of fun!

As the sun starts to set, we pack up our things. We make sure to clean up our trash and leave the beach clean. We drove back home, feeling happy and tired from our fun day.
