<b>Incorrect Question #</b>	<b>Why is my answer incorrect</b>			<b>Why is this the correct answer</b>		
5	I made a mistake while calculating because I thought it was asking for the discount amount			C is correct because the question asked for the sale price, not discount amount		
11	I didn't know what all of these properties do			D is correct because that is what property is being used		
15	I wasn't sure about which answer was right, so I guessed			A is right because it's the right ratio		
21	I didn't know which property was common for all quadrilaterals			A is right because most quadrilaterals have 4 angles		
22	I made a mistake while calculating			G is correct because it's the right area of the quadrilateral
