Incorrect Question #	Why is my answer incorrect			Why is this the correct answer		
#22	G I thought they were exaggerating.			Simile means to compare two things using like or as.		
#23	C I made a mistake.			I wrote a B instead of a C 😊		
#24	F F and G both sounded like they had the same meaning but G stood out the most			I didn't read the answer choices properly		
#25	C I read the question many times but didn't know what it was asking till I knew the answer.			I don't know.
