Incorrect Question #	Why is my answer incorrect			Why is this the correct answer		
33	I thought that because it asked range it would be 'X'			D because it goes from bottom to top		
36	I don't know how to do it			H because It's like Slope form.		
40	I thought I had to list it			F because it does not give me numbers.		
45	I just put a random one			A because the male it right		
47	I thought it asked for true			B because the female range is higher
