Incorrect Question #	Why is my answer incorrect	Why is this the correct answer				
2	C is wrong because A is a better answer choice	A is the right answer because the passage suggests that she is angry with herself				
10	D is wrong because the section would most likely talk about weather patterns, not native plants	A is correct because that's the choice for weather patterns				
12	B is wrong because it's not the best heading	D is correct because it's a better heading choice than B				
19	D is wrong because that's not what the use of the word is here	B is correct because if you go back and read the passage again, "flying" is being used as the meaning the answer shows				
27	C is wrong because that isn't something that should be added to the section	B is right because it would make sense if they add information about the most popular items sold
