|                      | Darsh  | 7th             | 2/10/24      | English   |           | 2008            |
| Incorrect Question # | Why is my answer incorrect                             |                 |              | Why is this the correct answer                          |           |                 |
| 31                   | it shows start & end, not when its happening at moment |                 |              | C, it shows the time that happened.                     |           |                 |
| 32                   | it shows how to use the mechanic                       |                 |              | F, there is a gear, it doesn't show how many            |           |                 |
| 37                   | only knowing what one person is thinking.              |                 |              | C, she doesn't know where the necklace is.              |           |                 |
| 39                   | the mother isn't amusing.                              |                 |              | C, she's nice but firm about where daughter is.         |           |                 |
| 43                   | its not an outline                                     |                 |              | D, she wrote a short paragraph about someone else.      |           |                 |
| 45                   | Because its not telling you where to go.               |                 |              | B, it gives places where things happened so you can go. |           |                 |
|                      |  |                 |              |   |           |                 |
